ACCESSORIES				Terms and Conditions								
Part No.	Description	Construction	Applicable Model	List Price	<p>Prices: Prices quoted are exclusive of VAT, packing and carriage. VAT will be added to all goods and services supplied at the prevailing rate. Whilst every effort is made to maintain the prices shown in this price list, the Company reserves the right to modify prices at any time without notice.</p> <p>Orders: Orders can be accepted by Phone, Fax or E-Mail. Details of which are found at the top of this page. When ordering please advise us of the process fluid for compatibility (see Compatibility below) and check tube diameter vs bung opening</p> <p>Packing and Carriage Charge: Please contact Sales for prices, generally orders are despatched for delivery before 5.30pm on the next working day. However we can offer Pre 9am, 10am and 12pm delivery options to certain parts of the UK</p> <p>Delivery: Most Intake Tubes, Motors and Accessories are available ex-stock, subject to prior sale. For large quantity orders please contact us on 0800 316 7891 for up to date stock holding. Orders placed before 11am Mon-Thurs are generally despatched for next day delivery before 5.30pm (Except North Scotland, Northern Ireland and Rep. of Ireland).</p> <p>Compatibility: Please ensure the materials of construction, Viscosity and Specific Gravity for the Intake Tube is compatible with your process fluid before purchase. If in doubt please contact one of our Technical Engineers as we are more than happy to check this for you, we may require a Material Safety Data Sheet.</p>
